6. Report from the IAA Permanent Committees

IAA Permanent Committee on History

Chair: O. Liepack, Co-Chair: C. Rothmund

Secretary: N. Reinke

- 3 Sessions at IAC in Adelaide – as usual
- One of these will become a series at the next 3 IACs re **Can You Believe They Put A Man on the Moon?!**
- To assure History Permanent Committee member involvement, Committee meetings will be facilitated by means of a teleconference or webinar
- Recommendation: The IAA History Permanent Committee has a popular Facebook page with 1,200 followers. Other Commissions would do well to communicate with members and other interested parties in the same way
- 2015 Proceedings of the 49th IAA History Symposium are now available at Univeldt

7. IAA Heads of Space Agencies Summit

Name of person reporting

No report

8. Other Business

Recommendation: IAA Secretariat should identify and advise the places where a web search will provide access to studies and reports completed under the auspices of the Academy, and advise how this information is disseminated to these sites

Recommendation: COM VI Connect – activity to facilitate putting a young person in touch with a subject matter expert to elucidate a specific issue

Recommendation: A report should be presented by the Academy twice per year that inventories the activities of the Academy over the past 12 months

Recommendation: The Academy dinners should be structured so as to more effectively introduce new members to Academicians. A handout may be prepared with the names, brief biographical information and coordinates for all new members, and distributed to all dinner guests. The photographs thus may be done in groups of Corresponding and Full Members (8 photos in all), thus considerably shortening the formal aspect of the dinner and promoting conversation amongst the dinner guests.

9. Adjourn

The meeting adjourned at 15:55.
