

IAA Study Group Status Report

Responsible Commission: III

Study Number and Title: SG 3-17, Space Mineral Resources

Short Study Description:

Evaluate the current information of space mineral resources. Present a plan on how to leap into the 21st century mining of resources off-planet.

Progress in past six months:

The study is completed. The study report is being reviewed and will be ready for approved by Commission III review team after Toronto. Shortly thereafter, the IAA Peer Review team would be appropriate. The document should be approved by the Board of Trustees prior to Academy day in Paris, 2015.

Website Study Information up to date? (Study Group Membership, Study Plan and Schedule): yes

Issues requiring resolution?

We are aware that certain members did not formally accept their membership with the IAA. We are working to resolve this issue Review Cycle support from Commission, and then a Peer Review team

Product Deliveries on Schedule?

Yes,

Study Team Member Changes?
