

**The ESA-ECSL Space Debris Regulation, Standards and Tools Workshop  
19-21st of March 2019, ESA ESOC, Darmstadt, Germany**

# Workshop Results

- Joining the legal, implementation, and scientific community on space debris
- 140 participant over 3 days
  
- Large parallels between legal, engineering, scientific issues concerning space debris.
  - Fruitful exchanges on existing issues
  - Comparison of national implementation examples is helpful
  - Clear need for framework for close proximity operations
